ANASTASILIA

I was just trying to study when my boyfriend snuck into my room and climbed on top of me. How could I say no to such a tempting offer? I let him rip my clothes off, and play with my body till he whipped his cock out. I couldn't help but slobber all over it, and let him pound my tight holes till I'm silly with euphoria.

B04-BLAIR

A tongue-in-cheek look at the

Tongue Tied

My dick thinks he's the greatest thing on earth. The dude who wields him, sticking the shaft into the mouth or up the pussy of his wife or girlfriend, also sings the praises of the prick. I, a tongue, am not one to be jealous; give credit where credit is due, I say. But that's precisely why I deserve more recognition, for if it weren't for me, that cock would rarely end up anywhere except in the big man's hand.

After all, I'm the one who gets to a woman first, and to a great extent it is my virtuoso performance that convinces her to give the go-ahead signal to the man's cock. A guy doesn't just meet a chick on the street, whip his dick out, and wave it around in the air.

I, a tongue, am the one who usually starts the ball rolling. "You have beautiful eyes" or "What a nice smile you have!" are among the things I might say help a woman see that here is a man who appreciates her. This kind of line can make a lady very grateful to my "boss," the man.

"You have such a sweet way of talking," she might reply. Makes me so proud I could blush, except that I'm already red.

Of course all this talk about pretty eyes is not necessarily what I'd really like to say. But I'm smart enough to refrain from verbalizing everything that the boss is thinking. You can't, for example, go up to some chick that you've just met and say things like, "Hey, honey. What a pair of boobs you've got! I'd like to bury my head in those melons and then nibble on them that the nipples pop out.

And I'd love you to bend down little so I could press my cock up against those gorgeous tits; then I could stick my dick between your tits and hump up and down in that

soft pink canyon.

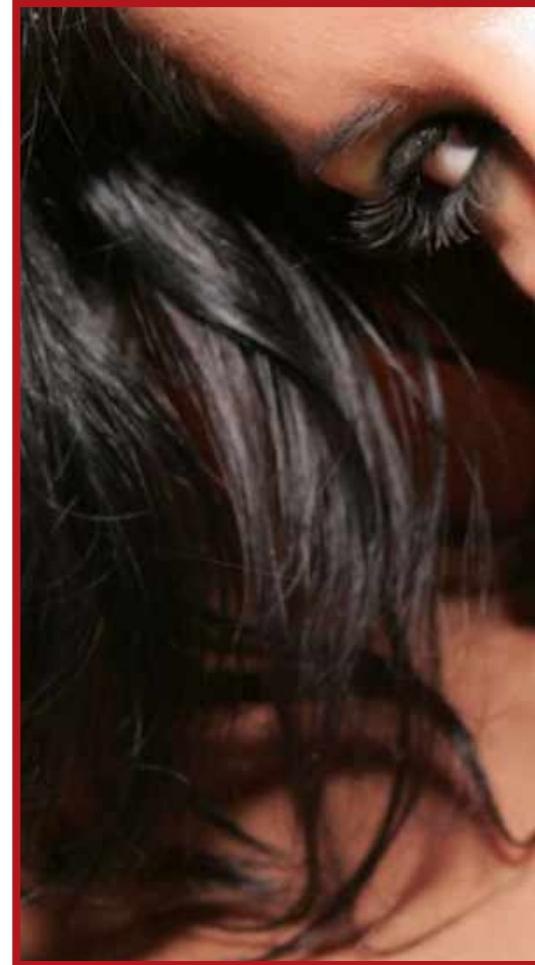

"After that you would kneel on your knees and put my dick between your lips, rolling your tongue all over the tip of my shaft until I plunged it all the way into your mouth and blasted a load of cum down your throat.

"You'd be worried then that I might not have anything left for fucking you, so your hand would sneak across your thigh and dig into your delta. Still kneeling below me, you'd slowly grind your crotch against your middle finger, close your eyes, and moan until there was cunt juice all over your hand.

"I'd pull you up off the floor and we'd walk to the bed with you still clutching your snatch. 'Oh, fuck me. Fuck me hard!' you'd beg, and that is just what I'd do. I'd throw you onto your back and poke the end of my cock into the opening of your cunt. 'More, more!' you'd say, and my hard-on would expand to 10, even 12 inches long.

I'd shove all of it up into your cunt until your eyes rolled back in your head and mine did too, and the whole shaft, surrounded by your hot, wet cunt, would rear back and explode once again." Yes, that's what I'd like to say in many cases. But as I said, I'm smart enough to know that this sort of talk wouldn't be too cool for an opener. Finesse is my middle name.

So I confine the talk to sweet noth-

ings ("I have to watch my tongue," is how the boss puts it) until it's time for some action. There too I lead the way. Last week, for example, my man met a chick at a NASCAR race. She was so pretty, what with her long dark hair, half-buttoned shirt and pussy-hugging jeans, that my mouth got all dry while we were chatting (yes, my mouth, not just the man's. After all, I'm the one who lives in here.) When I licked my lips I noticed the girl's tongue doing the same thing. That was her way of flipping a welcome sign to me. A good start.

"Why don't you come back to my place after the race?" I suggested. ("Whoops!" my man was thinking. I'm drinking too much and getting a loose tongue." "Relax," I signaled. "And skip those 'loose tongue' re-

organ responsible for mouth magic

marks. I know what I'm doing!")

Sure enough, she followed us back in her car. And like I was saying, the verbal stuff was only the start of my charm. The boss put his arms around her small waist and leaned over to kiss her just as soon as they got inside his place. I began to lick the corners of her lips. Then I poked inside and ran smack into her tongue.

Moving over and then under it, I pushed and lapped at the slippery, smooth underpart. After a sweep across the roof of her mouth, I edged to the left and squeezed between her teeth and the inside of her cheek. That has to be the softest, smoothest place in the world; and she laughed as I stroked her there.

Pulling out of her mouth and lick-

ing her cheek periodically on my way to her ear, I finally arrived and entered the maze. Round and round I traveled until I found the center and dived in. That really turned her on. With her hands behind the man's head she pulled him to her, as if she wanted all of me to crawl into her ear. The boss felt her nipples growing hard against his chest and when he slid his hands down to her ass, she snuggled her hot crotch around one of his legs.

Her tongue appreciated how well I'd aroused them both. It stroked me a few times when I passed by her mouth again, and then it licked my man's neck. He unbuttoned his shirt as it swept down his chest, paused to circle his nipples, and then continued toward his navel. The boss had

his pants off by the time the lady's head had descended to his waist, and she nibbled her way down one of legs until she could angle her mouth under his cock.

That cute, lively tongue of hers skipped up the inside of his thighs, making the man shiver as it got closer to his jewels. When it finally made contact it glided over and around them gently, before reaching down again to lick the beginning of the crack behind them. Slithering under his ass, it pushed at the eye of the boss's butthole, which wavered over whether or not to let the tongue in. But already the lady's mouth was moving back to the shaft of his dick, leaving a trail of saliva in its wake.

Climbing up his dick, her tongue alternated hard licks with tiny teases until it tickled the penis opening. My man's cock bobbed and pushed back, and that female tongue licked and sucked the tip until it reared again, filled with cum, and spurted out cream against her cushiony lips.

Now it was my turn to do my stuff. I knew I'd enjoy it too, for the lady looked lovely as she laid on her back, her tits sitting on her chest like poached eggs. I licked around the sides of them without touching the nipples. Her nipples were clearly aroused by this teasing and they began to rise up. Indeed, one of them even turned to eye me hungrily as I circled the breast. When I finally reached out and lightly touched it, the pretty brown thing popped up and damn near kissed me back.

After a few more fast licks, the nipple was standing tall. I rolled over it one last time, dropping saliva as it cuddled me back, and then tasted and teased the other tit. Eventually it was time to pull back inside while my lips (or the man's lips, if you insist) kissed them both goodbye. We headed south, passing lightly over

When I slid into the vagina I was totally covered by the downpour of juices. In and out I moved, pausing occasionally to lick her thigh and to feel the lady shudder with pleasure, when I again made contact with her snatch until the shaking reached a rhythm...

the cutest belly button in the world, a warm and fragrant delta, and slim, sexy legs.

I traveled to one of her feet. Her tits had been happy but her toes were ecstatic as the boss's lips slipped over them, sucking them into a warm, wet home. They tasted tart and salty as I rolled up and down the valley, between each toe, and they stretched and wiggled like five turned-on nipples.

I licked my way up her calves to the creases at the back of her knees, touching each one lightly before continuing up the inside of a thigh. I was skimming along her smooth,

He reached out to touch the woman's fleshy labia and then briefly stroked her clit. "Oh, baby!" she moaned, and her cunt muscles quivered. I licked it again and the clit purred as it nuzzled me. (Oh, yes, clits do purr, that is to say, I can hear them purr.)

The lady's labia swelled even more and welcomed me with love juice as I stroked her, continuing to give special slurps up front. When I slid into the vagina I was totally covered by the downpour of juices. In and out I moved, pausing occasionally to lick her thigh and to feel the lady shudder with pleasure, when I

against me, but he didn't mind. She had no sooner moved back up her body when her wide open cunt virtually sucked his cock up into it. They blasted away into a fine fuck and it was all thanks to me, the tongue. I suppose I'm bragging like this because I'm feeling so good today. Last night I got to do something that I'd always wanted to do.

The woman that my man had fucked the previous week gave him a call around 6PM. He picked up the phone and I did the talking, of course. She said hello and asked if he had eaten dinner yet. "No," I replied. "I just got home from work."

"Then come over to my place," she said, "and let me treat you to dinner. It's on me."

Well, my man had been planning to pull the car into the garage and work on the engine all night, so I answered the lady real quickly, giving him no time to think. "I'll be right. I'll be there," I told her, and squirmed with glee all the way over to her house as the boss kept asking himself, "What did I say yes for? I've got work to do." Asshole.

It turned out that dinner was on her, all right. It was all over her, as a matter of fact. She was wearing nothing on top except for a canned pineapple ring circling each nipple. The pieces of pineapple were plastered on each breast with peanut butter as the adhesive; her nipples were covered by the stuff too. "Your tongue is hanging out," she said with a laugh. I guess I was. After all, who doesn't love titties and peanut butter?

A red gumball was stuck in her belly button and some kind of red syrup was trickling out of her pussy and down her naked legs. She wore high-heeled shoes and nothing else.

hairless leg when I noticed my man's nose above me, sniffing hungrily the air. Sure enough, two swollen cunt lips were only inches away. Already glistening and a bit swollen, they converged at a clit that was practically sniffing the air for me too.

again made contact with her snatch until the shaking reached a rhythm and was crushing her pussy against me. A few more swipes across her clit and she was heaving and cooing.

My man's head was trapped between her silky thighs as she came

When I finally arrived at the place where her legs met, I plowed up the canyon and her cheeks contracted with pleasure. But wait—did I taste something else? It was the thick, lumpy taste of strawberry preserves. What a meal and it was trickling out of her asshole.

My man had his clothes off in three seconds flat and was bending down in front of her. He placed his mouth against her thigh and I licked at the trickling liquid. It was sweet and it made me feel warm.

"Cherry liqueur," she said to the boss "It's for dessert."

"Okay," I said cheerfully, and my man stood halfway up in order to nibble on her breasts. The tangy taste of pineapple cooled me as my mouth bit chunks of the fruit off her tits. She giggled when he finished it, and I started in on the peanut butter. Shoveling pink pathways through the brown areas, I left the

like the tits in skin mags, before descending for the gumball.

My man pressed his face against the chick's tummy as I hauled the candy out of its hole and let it melt all over me. I intended to make that cherry-liqueur snatch my next stop, but while I was moving toward the delta she abruptly turned around, gently knocking a cool, smooth butt into the boss's face. What made it so very cool and smooth? It was covered with whipped cream.

I love whipped cream. Up and down her butt cheeks I roamed, lapping the white foam and leaving her crack for last. When I finally

and it was trickling out of her anus.

Into the crack I charged, to get into that delicious strawberry asshole. She lay face down on the edge of the bed, with her knees on the floor so I could gain easier access. The boss helped by grasping her cheeks and prying them apart. It was red in there as the crack opened, and I crawled in as far as possible to slurp up the jam. My man helped me further by sticking his middle finger up her hole and pulling out preserves for my taste buds. The lady, meanwhile, started to grind her cunt against the bed. Time for dessert.

My man rolled her onto her back, and with his crotch over her head he lowered his dick into her mouth. I lowered myself into her pussy and was warmed once more by the cherry liqueur. Farther and farther I went, always scooping back the booze, which was increasingly mixed with cunt juice. A great chaser. Meanwhile, my partner in the lady's mouth was licking all over my man's dick with long strokes that started at the base and ended with a flick at the tip.

Back and forth she stroked until he felt the charge in his cock that signaled the coming of cum. Onward she licked while I slurped in the cunt juice mixture, until I was reeling and she was humping. My man's cock could hold it in no longer, and out spewed jism onto her pretty face. Her tongue licked at his bouncing dick as he shot off a last wad or two; I had to admit that hers was a fine tongue indeed.

Finally, I poked as far as I could into her half-potted cunt. Needless to say, it was a sumptuous treat. I then told her that I intended to have dinner on her again. Real soon!

nipples for last.

They turned into cute rubbery stubs as I wiped away their covering, until each breast was completely clean. Then I drooled saliva all over, to leave them perky and shining

arrived at the place where her legs met, I plowed up the canyon and her cheeks contracted with pleasure. But wait—did I taste something else? It was the thick, lumpy taste of strawberry preserves. What a meal

LITTLE CAPRICE

If there was one hot body that you'd want to get a peek at, it's this one. Her firm perky tits are a tasty dessert for the eyes. The curves that fall from her chest to her delectable booty move like a work of art. Seeing her slipping slowly out of her panties makes the sight of her pussy all the more satisfying.

finally letters:

More letters have come into the office that we had to share another with you.

second string slut

"Ready to kick some ass, Tommy?"

"You bet, Jack," I told my teammate as we found an empty table in the cafeteria.

Jack was referring to that afternoon's basketball game with our arch rival. The contest was always a hard fought affair. Hell, sometimes even on the bloody side; last year's defeat had resulted in a nasty gash above my right eye. I still had the scars—physical and emotional—to prove it. The former didn't bother me nearly as much as the latter.

Losing the big game had been a major downer.

Now, having dwelt on that crushing loss for a whole year, a soul searching year in which I had landed a new girlfriend, I was hoping to enact some serious revenge.

But all the hope in the world couldn't quell my unease. My pre-game ritual was in serious jeopardy. My girlfriend Alexis, an essential component of the ritual, had failed to show up for our ten o'clock class this morning. I hadn't seen her on campus all day. Repeated calls and texts had gone unanswered . . .

Of course I was worried sick, so much so that I had failed to touch the food on my lunch tray.

"Dig in, Tommy," Jack said between bites. "You need your strength for the big game."

"I'm not hungry," I told him.

"Not hungry? That's not like you at all. Something

wrong, man?"

"Pre-game jitters," I lied. "Nothing to worry about."

Having decided to check on Alexis at her off-campus apartment, I excused myself, telling Jack that I was heading to my room for a quick power nap. I exited the cafeteria, retrieved my car from the dorm parking lot, and drove straight to Alexis's place. Her roommate Debra came to the door. The news was bad. Alexis was sick with the flu. She had been in bed all day, drifting in and out of sleep.

Shit, I thought, talk about lousy timing!

Alexis's illness would put the kibosh on my pre-game ritual. Without it I had serious doubts about my ability to play at an optimum level. Not a good thing with the biggest game of the season just hours away.

"Well," I said resignedly, "so much for that. Tell her I dropped by."

Debra frowned. You're not leaving, are you?"

"I don't want to disturb her. She needs her rest."

"Yeah," Debra said, "and you need something else."

Her remark gave me pause. I stood there on the landing, searching her face.

"Don't look so surprised, Tommy. I'm well aware of your pre-game ritual. Alexis told me all about it."

I wasn't embarrassed, not in the least. After all, we were all adults here. Still, I was nonplussed.

A full-page advertisement featuring a blonde woman in a gold sequined, one-piece outfit with a matching thong. She is posed in a provocative manner, with her back partially turned and her legs spread. The background is dark and moody. In the top left corner, there is a yellow speech bubble containing the text "SPREAD THESE CHEEKS!". In the bottom left corner, there is a black starburst graphic containing the text "LIVE! 1 ON 1". At the bottom, large, stylized text reads "1-800 BUTT SEX" with the phone number "28818739" underneath. A small logo for "Spectrum" is in the top right corner.

"I'm not Alexis," she told me, "but I give pretty damned good head all the same."

It was a conundrum, for sure. My girlfriend was too sick to give me my pre-game hummer. But her roommate was willing to fill the void. What was a student-athlete to do?

Debra said, "Hurry up. Don't think about it too long, Tommy. I've got a physics class in half an hour."

I had never cheated on Alexis. Hell, I had never cheated on a girlfriend in my entire life. But this was a special circumstance. The big game was on

cap, varnishing me with delectable slowness. Then, having primed me expertly, she finally took me in her mouth.

Her soft lips wrapped around my rod, she moved her head back and forth, slowly at first, then faster and faster. It wasn't long before she was blowing me with frenetic abandon, moaning and slurping around my turgid tool.

Debra's sloppiness coupled with the illicit thrill of cheating on my slumbering girlfriend—right outside her bedroom door!—had my balls fit to burst.

the line.

I stepped inside and closed the door.

"Don't worry about Alexis," Debra said. "She's in her bedroom sound asleep . . ."

"Good to know."

I leaned against the kitchen counter as Debra, a hot ginger with big tits, removed her sweatshirt, discarded her bra, and knelt before me. She unzipped my chinos and liberated my cock. I was plenty hard already.

Licking her lips greedily, she stroked me with one hand. "Such a nice cock," she said. "I can't wait to have it in my mouth . . ."

Debra kept on pumping me, sliding her hand up and down my rigid pole. I grabbed a handful of her red hair, playing with her lustrous locks as she employed her tongue.

I sighed dreamily, delighting in her marvelous tongue technique. Debra brushed my rod from balls to flared

I grunted, tipping Debra to the forthcoming blast. She withdrew her mouth from my crotch and told me to come on her tits. I proceeded to jerk myself to completion, dumping a sizable load of cum between her mammoth mounds.

The game was a slaughter. Our opponent didn't have a chance as I enjoyed my strongest performance of the season, scoring 24 points, 3 steals, and grabbing 7 rebounds.

The playoffs start next week. Plenty of time for Alexis to make a full recovery. If not—well, there's always Debra.

—Tommy H., Denver, CO

ORINA & KRISTINA

How convenient is it that two sexy bombshells just happen to get stuck in the same place on a rainy day? How crazy would it be if they kissed; maybe took their clothes off? If they're gonna get naked, they might as well stick their fingers in each other's pretty little holes. Then lick each other till they cum uncontrollably.

LET'S SPEND MORE TIME AT HOME TOGETHER! **888-666-5652** MUST BE 18 TO CALL
